

CRAWLSPACE TECHNICIAN/ CONSTRUCTION LABORER

About Us:

CRAWLSPACE MEDIC is a fast-growing company that provides meaningful service to our customers, specializing in crawlspace remediation and repair. We value **dignity** in our work, **integrity** in our dealings, **excellence** in our business practices, **value** for our customers, and **service** to others. Come join our growing team!

About You:

The ideal candidate is someone who ...

- Has previous experience with construction and repair (preferred), most notably repairs in the crawlspace, including structural repair (sills, girders, joists, subfloors, piers) and moisture remediation (interior french drains, moisture barriers, dehumidification systems).
- Is willing to be flexible in duties from day to day and hour to hour.
- Has a Driver's License, and is able to pass a DMV license check and have reliable transportation to and from work.
- Has excellent people skills, professional in their interactions with both customers and coworkers.
- Has a strong desire to reach and exceed set goals in all areas of the job.
- Ability to exert up to 100 pounds of force occasionally and/or up to 50 pounds of force frequently, and/or up to 20 pounds of force constantly.

About the Job:

The main role of the Crawlspace Technician/Construction Laborer is to assist the Crew Leaders (structural and moisture) with repair work scheduled by our team. The Crawlspace Technician will also be responsible for other tasks including but not limited to tool inventory and other errands as necessary.

- Light carpentry
- Hauling material
- Light plumbing
- Light masonry
- Tool Inventory/Maintenance

We Offer:

- **Competitive Pay:** Base pay starting at \$15/hour, or more based on experience/skill. Bi-weekly bonuses based on performance.
- **Training:** paid hands-on training, perfect for those who are eager to learn and grow
- **Relax:** Holiday Pay and Paid Time Off
- **Growth:** build your skills and experience to grow in the company
- **Stability:** full-time, non-seasonal work in a supportive, value-driven environment
- Will be supplied work shirts, work khakis, hats, headlamps, knee pads, and crawl suit. Must provide your own work shoes/boots.
